From the desk of the Mayor

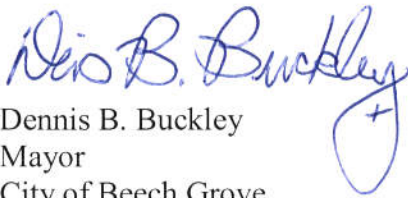

Residents,

On Monday March 23, 2020, Governor Holcomb issued an executive order which closed all non-essential businesses through April 7, 2020. The definition of an essential or non-essential business can be found on the State's web site.

If you are classified as a non-essential business you should not be conducting business. To those who would like to report such businesses, you can contact the Marion County Health Department at 317-221-2000 or the Department of Homeland Security Hotline at 1-877-820-0890.

The City of Beech Grove and the Mayor of Beech Grove have not authorized any non-essential business to remain open. To say that my office has is a gross misrepresentation and I ask that it stop.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove
