

March 7, 2012

To: City Council
From: Dennis B. Buckley
Re: Schedule for 2012 G.O. Bond

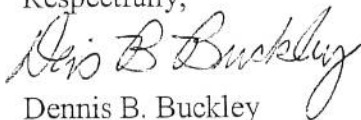

Dear Council,

At the May 7th meeting I would like to introduce a General Obligation Bond for upgrades in municipal buildings, equipment and bring our city into compliance with the Federal ADA Compliance Act of 2012. This is a General Obligation Bond that replaces the 2006 Bond that matured this year, and the 2002 Bond that matures in 2013. The Bond that I would like to introduce will not exceed \$2,000,000.00. Listed below is the presentation order for our next meeting.

- 1) A financial presentation by our financial advisor Jeff Peters.
- 2) Department Head presentations.
- 3) Motion from the council to proceed.
 - a) If the Council decides not to proceed, then we will stop the proceedings.
 - b) If the Council decides to proceed, then I will ask to approve Resolution No. 2, 2012.
- 4) Introduction of Resolution No. 2, 2012.
- 5) Set a date for a public hearing concerning this matter.

Should you have any questions, please contact me or any Department Head. I have included a list of improvements, a sample Resolution and the date schedule should the Council desire to proceed.

Respectfully,

Dennis B. Buckley
