We started the month with our friends at S. H. I. P (Seniors Health Insurance Program) talking and answering any questions about the best road to choose with Medicare and supplement insurance.

We took a trip to have pancake`s at Grandmas Pancake House in Shelbyville, In, after breakfast we took the long way home and enjoyed a little site seeing. We took a trip to Edinburgh Outlet Mall, to do a little Christmas shopping and to get one of the biggest tenderloins we`ve ever seen from the Edinburgh diner.

We were contacted by Mrs. Reachel, the Librarian from the South Gove Intermediate school. She needed help with a project she was putting together for some of her students. We made almost two hundred school bus picture frames out of popsicle sticks.

As Thanksgiving approached the office put on a Thanksgiving luncheon after the members Monday meeting, with about forty attending. We then shifted our focus on feeding the Seniors in and around the Beech Grove area. With only two staff members at the center, we took on the challenge to feed those seniors that needed a Thanksgiving meal. We delivered seventy meals to those in need and we had enough to share with Fire and Police as well. We continued to have our regular actives in November as well.
