

## **Beech Grove Senior Citizens- November 2014 Board of Works Report**

In November we transported 97 times  
\* Transportation Log attached

November was a short month with the holidays and elections so our transportation was less than usual but I'm sure that will pick back up in December.

Our members had a cookie auction as a fundraiser for their club.  
The Waters of Indianapolis provided a free lunch for the members.

A barbershop quartet entertained at our Thanksgiving pitch-in.

Citizens energy is offering an assistance program for low income and they had representatives come to the center to make it easier for those seniors that need assistance, as well as United healthcare returned this month for those that had questions concerning the healthcare changes.

As always on the last Monday of the month we celebrate the members birthdays for the month with cake and punch.

These are just some of the activities we provided during the month.
