GRANT AWARD ANNOUNCED

On Wednesday December 16th my office received a telephone call from the Office of Community and Rural Affairs (OCRA) informing us that the grant we submitted to make significant repairs to our sanitary sewer system has been approved.

The City of Beech Grove will receive an award of \$ 600,000.00 to invest in making repairs to our aging sanitary sewer system. This award along with an investment of \$ 250,000.00 from the City of Beech Grove will allow us to focus on many problem areas in our city.

I want to thank OCRA for approving our grant and our Clerk Treasurer Jim Coffman, DPW Director Brad Meriwether and Phil Gurganis for their good work in the submission of our grant application. I also want to thank all of you who sent in emails and participated in the online survey. Your help was very much appreciated.

Soon we look forward to making some much needed improvements in our aging sanitary sewer system. Again, thanks everyone for their good work throughout this process.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove.
