

## **Beech Grove Senior Citizens- October 2014 Board of Works Report**

In October we transported 189 times  
\* Transportation Log attached

October was a fun month at the center with entertainment by the goodtime singers and Jim Nelson playing the keyboard.

Several of the members really enjoyed our wiener roast at Sarah Bolton park.

Brown County colors were beautiful when we took a day trip to Nashville where the members enjoyed shopping and lunch.

We also attended a murder mystery dinner at the Milano Inn one Friday evening.

With all the changes in healthcare lately, I felt it was beneficial to have a speaker from united healthcare give a presentation to our members so that they can stay informed about the many types of supplemental programs available to them. We also had Christa Smiley present a program about care of the elderly.

Overall we had a very productive month.

These are just some of the activities we provided during the month.
