

## **Beech Grove Senior Citizens-October 2015 Board of Works Report**

In October we transported 179 times

- Transportation Log attached

The weather is beginning to change and so our fall colors appear. We took a trip to Brown county to see the fall foliage and enjoyed a day of shopping . We also attended a murder mystery dinner theatre at the Artists colony in Nashville where it is always a full house and is a great night out for all.

United healthcare set up an informational class at the center now that it is open enrollment time. I think it was very helpful to many seniors and will host another one in November. Ask a lawyer also came to the senior center again this month. Another great turn out for some free legal advice.

A clear caption phones representative presented a program to inform the seniors of the free equipment that is available for those with hearing problems.

Meridian healthcare has joined our team of sponsors and are now serving a free breakfast once a month to our members.

Over all I would say we offer a wide variety of informative as well as entertaining programs for our members.

We are always open to trying new things.
