In 2016, the Beech Grove Parks Board submitted their completed 2016-2020 Parks, Recreation and Open Space Master Plan to the Indiana DNR. That document is available on the City's website.

The Parks Department is responsible for the collection of litter on and mowing and trimming of all Park property. In addition, we maintain other areas in the city, including but not limited to, the 465 interchange, Main Street from 11th Street to Emerson Avenue, 9th Street from Grovewood, to Redfern. these areas were serviced over 50 times in 2016.

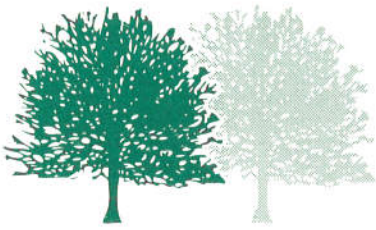

In 2016 trash generated on Beech Grove Parks properties totaled 104,000 gallons. This number was down from 2016 due to the cancellation of the July 3rd fireworks program.

Finally, in 2016, Park employees worked over 10,000 hours with no lost time injuries.

Respectfully submitted,

Tom Hannan, Park Director

Angel McKenna, Facility Manager
