POLICE STATION ANNOUNCEMENT

At the December 7th Common Council meeting, the Council by a vote of 7-0 approved our Police Department to proceed with planning a new police station.

Over the next 3-4 months a committee made up of the Police Chief, BGPD personal, and several Council members will work on developing specifications for this much needed investment.

We want to hear from you as well. In the very near future you will have an opportunity to send in ideas on what you would like to incorporate into this new building.

We look forward to moving the Beech Grove Police Department to the top of the list when it comes to providing adequate work space in a centralized location.

Big ideas, big results.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove
