The annual Beech Grove Promoter's Club Fireworks scheduled for July 3rd has been postponed. The new date is August 25, 2012 in Sarah T. Bolton Park. Please join the City of Beech Grove and the Beech Grove Promoter's Club as we present a day of fun filled activities including Beech Grove's own "Pure Gold" band as they kick off the live music at 7:30PM, free of charge to the citizens of Beech Grove and surrounding areas. Local non for profit groups will be selling food and beverages and a local DJ will provide music both before and after the live sets. For further information please contact the Mayors Office at 784-3003 or visit the Promoter's Club web site or the City of Beech Grove at www.beechgrove.com. Thank you very much for your cooperation in this important public matter. We look forward to seeing on August 25th.
