

PRESS RELEASE
CITY OF BEECH GROVE
FEBRUARY 27, 2014

The Board of Directors of the Indiana Housing and Community Development Authority (IHCDA) met this morning in Indianapolis and announced tax credits for fifteen (15) projects throughout Indiana.

One of the tax credits was awarded to the NRP Group, who intends to develop the “Rockpile” property located at Schaff Street and Churchman Avenue.

In the coming weeks we will make an official announcement pursuant to this matter and the fiscal impact and job creation it will have on our city.

Another good day for our beautiful city and ***“lets keep good things happening”***.
