Re: Request to replace trash trucks

Dear Board,

It is my recommendation to the Board of Works that the Department of Public Works be allowed to solicit bids for the purchase of 2 new trash trucks in 2018. The current 2012 trash trucks are due to be paid off in the fall of 2017.

DPW requests to keep both 2012 trash trucks as backups, and auction off the 2000 Sterling trash truck. Thank you for your consideration in this matter and please let me know if you have any questions or concerns.

Respectfully,

Brad Meriwether  
Director of Public Works
