

RESOLUTION NO. 11, 2017

Resolution No. 11, 2017 is a Resolution that recognizes recent action taken by the City Council to work with local business to promote green energy and solar power.

WHEREAS, the City Council desires to work with local business to make improvements in their investments; and

WHEREAS, the City Council sets the fee for permits and inspections when construction activity occurs within the City of Beech Grove; and

WHEREAS, the City Council desires to promote green energy throughout the City of Beech Grove and encourages local businesses to do whatever they can to promote environmental causes; and

WHEREAS, the City Council wants to ensure public disclosure when working with local businesses and conducting business.

THEREFORE BE IT AFFIRMED that the City Council has assisted a local business to promote green energy by approving a special (one time) charge of \$1,000.00 for permits for the installation of solar panels and to re-roof the building where the solar panels will be installed.

THEREFORE BE IT FURTHER AFFIRMED that the City Council desires to work with any business to promote green energy and the same offer shall be afforded to all who may come forward desiring assistance for the installation of green energy solar panels.

THEREFORE BE IT FURTHER AFFIRMED that this Resolution shall be placed in the record for public inspection upon passage by the City Council, signed by the Council President Pro-Tem, attested by the Clerk Treasurer and signed by the Mayor.
