

*Annual Report 2013  
Beech Grove Senior Citizens Center*

*Here we are at the end of another exciting year at the senior citizens center.  
Time does fly when you are having fun!*

*Word of mouth continues to bring in new members all the time and it is so rewarding  
when these folks tell us about the good things they have heard about our center.*

*One of our goals is to provide activities, entertainment and companionship to so many  
who might otherwise be at home alone.  
We provide transportation for our members, many of whom no longer drive making it  
possible for them to remain independent.*

*We strive to keep the seniors aware of changes in things that may affect them such as  
Medicare, supplemental health insurance and etc.. by having knowledgeable guest  
speakers here at our center.*

*Thanks to many local sponsors we are able to offer many different activities at little or no  
cost to our members.*

*As the director of senior services I feel privileged to be able to provide these services to a  
very important generation that is so dear to my heart.  
Many of our members are life long Beech Grove residents and wouldn't dream of living  
in any other community in part because of the services the city offers through our senior  
center.*

*We are all looking forward to another year of fun adventures.*

*Respectfully submitted;  
Carla M. Marchbanks  
Director of Senior Services*
