Along with our regular weekly activity's, we took a trip downtown, to do a little chocolate tasting at So Chatti. What a great treat for our belly and our souls, chocolate makes everything better doesn't it? We took a ride up north to Wilson's Amish market, where they sale the best fudge, cheese, and homemade ice-cream on the planet. We headed south on one of the days to take a tour of Edinburg's popcorn factory, we sampled popcorn and of course purchased some for later. Then we headed farther south to the KY/IN state line to the Derby Playhouse. The Odd Couple was the name of the play, and a delicious buffet was for lunch. We bet you could hear our laughter for miles, what a great play and time we had. Of course, you can't have a summer without having some BBQ. We had a little in-house fundraiser by making bar-b-q rib dinners from the grill to your tummy. Great food and fellowships are always welcome at the Center.
