Along with our regular weekly activity's, we had a big FREE Chili lunch here at the center, we invited any that wanted a hot lunch to come on, in sit down, and enjoy a hot meal with us, free of charge.

On early Sunday morning the third day in October we boarded two charter buses and headed out for a six-night seven-day trip. We loaded up Ninety-Nine Seniors Citizens for our Cape Cod & Martha's Vineyard trip. This was the first time in the Senior Center's history that we had to have two buses for a trip and had folks coming up from Tennessee, Kentucky, Carolina, and over from Illinois. With precautions in place and lots of prayers we setout on an adventure of a lifetime. Great times were had by all and lots of information with tons of pictures to show our family.

When we returned, we loaded up the center's bus and took a tour of the covered bridge's in southwestern Indiana. We had our Murder Mystery dinner that Friday with some of our local Girl Scout's putting on the play.

We finished the month with a Halloween party for the members and then one for the kids in our community.
