Along with our regular weekly activity's, we took a trip to a new place, Big Wood's restaurant. The Seniors enjoyed great food and good company. The restaurant staff treated the Seniors like gold.

We kept ourselves busy with Fall Festival details. Between finding sponsors to help cover the cost of the food and setting up the building for our two-day participation in the festivities.

We took a trip to Rockville Indiana's five and dime store. We also stopped by the Amish market and then we stopped a Mom and Pop's diner to enjoy a good meal.

We spent most of September tying up and finalizing the trip we had to Cape Cod and Martha's Vineyard.
