

## **Beech Grove Senior Citizens- September 2014 Board of Works Report**

In September we transported 125 times  
\* Transportation Log attached

September is always a big month at the Senior Citizens center with Fall Festival. Our seniors sell a variety of food and 50/50 tickets to make money for their club.

This year we also had a large donation of beads and some of our members held jewelry making classes and then sold their goods at the festival. All of the proceeds benefit the members by paying for entertainment and etc.

Some members enjoyed lunch at Mann's grill and others had breakfast at Bob Evans.

We were entertained at one of the Monday meetings by Tom Wright and at another by Roy "ELVIS" Reynolds but now, Elvis has left the building...

We continue to get new members every month and try to plan many different activities as well as keep our members informed.

My goal as the director is to provide the senior community with as many services as possible to help them remain independent and enjoy their senior years.

These are just some of the activities we provided during the month. For more information please call 788-4987 or log on to: [www.beechgrove.com](http://www.beechgrove.com) and go to the senior citizens link under community
