RE: Temporary Street Alley Closings

Board,

Due to the upcoming demolition of the old hospital property, DLZ Company has put into place a series of closures to mitigate traffic from traveling on Buffalo Street from 15th to 17th Street.

Prior to the beginning of demolition, the Board will need to approve these temporary closures to accommodate DLZ's request:

- Buffalo Street closed from 15th to 17th Street
- Alley north of the hospital closed between 16th and 17th Streets at Buffalo Street
- A construction gate to be installed on Buffalo Street east of 17th street for construction traffic. Please note the PD and FD will have access to the gate.

These are temporary closures until the project is complete. Once the project is complete, the roads and alley mentioned above will revert back to their normal traffic patterns.

Respectfully,

Dennis B. Buckley
Mayor
City of Beech Grove
